Report of Principal and School Improvement Council

Our inaugural year as an elementary school was a great experience for our staff, parents, students and community. We had a lot of "firsts". We organized our PTO and SIC. Our norms and vision were established. Many procedures and committees were put in place by the dedicated teachers that serve our students.

Various people played a key role in our success this year. The district office personnel were very supportive in our effort to establish ourselves among the great schools within our district. We were appreciative of the financial contribution of Okatie Elementary's PTO. Our PTO executive board worked very hard to ensure that our students benefited from their involvement throughout the whole year.

PVES students are expected to contribute to our school environment in a positive way. We subscribe to the contents of the Positive Behavior Intervention Support approach. We display REACH behaviors in all parts of our day and in every area of our school. Our students have exemplified REACH – They show Respect to others and themselves, give a great Effort every time, display a positive Attitude, Cooperate with others, and show Honesty.

We are looking forward to another signature year. New programs like our Advanced Mathematics Engineering and Science Academy will be added during our 2nd year. At Pritchardville we are extremely proud of our students. They have assimilated to our motto – "Academic Excellence and Positive Behavior goes Hand in Hand. Our students have also shown that they believe in our mantra – "We are Great and Getting Greater"!

Next year will be a very promising year.

Mary Beth Roulston – Assistant Principal
